- ❖ Q&A/Live Polling
- ❖ Upvoting
- ❖ Post Event hosting
- ❖ Closed Captioning
- ❖ Simultaneous Interpretation
- ❖ Customized Branded Backdrops
- ❖ Robust Internet Infrastructure
- ❖ Professional Technical Team

Shaw) Centre

Virtual Broadcast Studio

Offer your viewers an engaging experience with customized backdrops using standard décor elements and elaborate interactive technology.

Give a formal presentation with presenters standing as they would have on a stage

Add seating for a more casual conversation with a colleague

Our studios can be tailored to meet the look and feel you want to achieve

Contact us for a consultative conversation and see how we can tailor your next live broadcast
